STATE OF NEW HAMPSHIRE MOTOR FUEL & PETROLEUM PRODUCTS TRANSPORTER'S REPORT INSTRUCTIONS

This form is to be used to report the transport of all motor fuel products in the state of New Hampshire. **COMPLETE A SEPARATE SCHEDULE FOR EACH PRODUCT TYPE & REPORT WHOLE GALLONS ONLY!** The following items must be completed on the first page of the return: the company name, mailing address, month and year for which the report is filed, telephone number, the NH license number, company FEIN, signature, and title of authorized person and the date signed.

RSA 260:42 Motor Fuel and Petroleum Products Transporter:

"I. Every person not registered as a distributor who transports motor fuel or products subject to the fees stipulated in RSA 146-A, to a point or points within the state from a point or points outside the state, every common carrier or contract carrier who transports motor fuel or petroleum products, and every licensed distributor who transports motor fuel or petroleum products exclusive of the carrier's own product shall be licensed with the commissioner as a motor fuel and petroleum products transporter.

V. The transporter shall report to the commissioner on forms prescribed by the commissioner, not later than the twentieth of the succeeding calendar month, subject to prosecution for un sworn falsification, all deliveries of motor fuel and petroleum products made to points within the state during the previous calendar month. Such reports shall contain sufficient information to identify the quantities delivered, the consignor, the consignee and such additional information as the commissioner may require. A report shall be filed for any month in which no activity occurs.

VI. Any person who fails, neglects, or refuses to file the monthly report required by this section shall be assessed a penalty of \$500. Such penalty shall immediately accrue and shall bear interest as specified in RSA 260:40-a."
